RIFL staff will take physical note of every player participating in games prior to the start of every game for contact tracing purposes. This will be done by verifying players on team rosters.

Should any player, coach, team manager of any participating team test positive for Covid-19, coaches or team managers must email covidtracker@rifutsalassociation.com immediately with the following information.

Player name, player dob, parents email and contact phone number. Please also forward Dept of Health quarantine information for said player (s).
